You'll never look at the paranormal the same way again, when the line is blurred between ghost-hunting horror and side-splitting humor. **So funny, it's scary!**

Answering calls from desperate individuals in conflict with supernatural forces, The Ghostbreakers' overconfident commander, played by [Joey Greco](#) (Cheaters), leads his team of bold but hapless spook-chasers—including a lovelorn gadget master ([Gabriel Horn](#)), a prima donna clairvoyant ([Shanda Lee Munson](#)), and a fainthearted muscle man ([Bryan Massey](#))--face-first into the dangerous fray of the unknown. Attempting to placate, evict or exterminate mischievous spirits, they generally end up causing more harm than good for their often-dissatisfied clients. Failure is always an option for this dysfunctional crew of bickering nitwits.
